Over 20 Years & Still Connecting

What's Up With Randi Jo Torell (21) and Jocelyn Scudder (22)

Being active in Park City is no stretch for **Randi Jo Torrell (21)** and **Jocelyn Scudder (22)** however, they both expanded their reach with a recent service trip to Haiti. Let me introduce you to these ladies and they will tell you about their trip.

Both ladies are originally east-coasters but Randi Jo moved to Park City from Pacific Palisades, California in 2005 looking for a better place to raise her daughter and Park City offered affordability and quality of life. Jocelyn came in 2013 after applying and being hired for a job at the Kimball Art Center. *"While living in NYC, I craved a change in scenery. I got the job in the summer of 2013 and road-tripped it all the way to Park City."*

Randi Jo & Chloe

Randi Jo teaches Yoga basics and restorative Yoga for adults but mostly she teaches kids. She's taught Yoga for Kids in all schools in the PC School District (K-12), Charter School (WSD; K-8) and 4 Preschools. She also teaches a Mindfulness Book Club for Tweens & Teens along with bestselling Children's author, Rebecca Brenner and Yoga for traumatic brain injuries and stress relief for teens.

What would a perfect Park City day look like for Randi Jo? *"Today, I would hike with my dog, do a mountain bike and then Yoga classes!"* In addition to those perfect days, Randi Jo loves Sundance Film Festival and *"after 40 years of skiing...I just fell in love with snowboarding!"* Randi Jo's Park City family is made up of her 11 year old daughter, Chloe, Chloe's dad, Yann and many Greenberg cousins. *"During the summer my parents join us too."*

Life Out West

Jocelyn works as the Education Department Manager for the Kimball Art Center. *"I have also worked part-time at High West Distillery as a hostess for two years and currently serve on the Public Art Advisory Board."*

What would a perfect day look like for Jocelyn? *"In the winter in would involve an early ski, apres' with good whiskey and then out to see some live music. In the summer it would be a hike in the Uintas*

date for applications is August 26. They will be distributed to committee the following week for review and scoring. The committee will meet Wednesday, September 14 from 4-6pm at the PC Library. Contact Karen Anderson, Karen.anderson@parkcity.org if you are willing to serve on Selection Committee.

Leaders must be close enough to relate to others but far enough ahead to motivate them.

INSIDE OUT- PARK CITY

Summit County Public Art Board presents **INSIDE OUT- PARK CITY ; Portraits of Summit County Entrepreneurs** featuring several Leadership alumni. On display from July 1 to September 1 on Center Drive Newpark. Launch party is

near a lake and then back to Park City for an outdoor concert." Jocelyn's Park City family is made up of great friends. "I originally moved here for a season in 2008 with a group of college buddies. I left for a couple of years but many of those friends are still living here. I feel very lucky to have a strong community of friends

here to call 'family'."

Light & Life

Both LPC alumni, met each other when Randi Jo was teaching 'YogArt' classes for kids and teens at the Kimball Art Center.

Their SEVA (Selfless Service) trip to Jacmel, Haiti was April 1-8. **"We went with a local PC Non-profit called Devoted 2 Children,"** explained Randi Jo. **"This group supports a forever home of 8 orphans. In addition to taking full responsibility for the home, caregivers, food, education, medical, clothing and other needs of these 8 children (ages 6-17), D2C runs an after school tutoring program for more than 80 children in the community of Jacmel."**

Jocelyn, Randi Jo and Kristie Buehner of D2C, held a Family FunRaiser at The Yoga Shop Studio in March. They beat their goal and raised over \$6,000 which they delivered directly to the organization in Haiti. On the trip, they learned about local tourism and got to know the children by playing with them and doing school and beach visits. They also teamed up with some other volunteers to design and paint a mural at the home.

Through Jocelyn's work at the Kimball Art Center, she was able to get paint supplies donated to create a collaborative mural with the 8 kids. **"Our mural project was a complete success,"** said Jocelyn. **"With the help of a translator, I was able to have a conversation with the kids about the things they loved about Haiti and how we could translate those things into art. We talked about the sun, moon, stars, their dog, chickens, surfing, soccer, school, the mountains, beach and their tap tap. I loved the enthusiasm in the kids once we got ideas rolling. We gave them homework to sketch some of the things we talked about that day. I took their ideas and images from their sketches and turned them into a large mural drawing on their garage wall for the kids to fill in and paint."**

The finished product was exciting and rewarding for everyone. The entire team helped make it happen! **"The landscape mural expressed everything the kids loved about Haiti. Everyone was happy with the finished project and it brought a lot of light and life into the D2C family home,"** said Jocelyn.

D2C Yogi Circle

Jocelyn added, **"Randi Jo also taught yoga to the kids who live in the home. They were all impressively good at the poses she lead them through. The kids' yoga class was energizing and fun for all."**

The impressions left on those involved were powerful. Jocelyn explained, *"the people I met on this trip and the experiences we shared have made a lasting impression on my life. The kids reminded me of what it means to have integrity and strength through hardship, to appreciate the small things, to be independent, to express love and most of all, to spread joy. Spreading joy through creativity was my personal mission on this trip*

and I feel the mission was fulfilled."
